

ABOUT THE UPPER HUNTER EDUCATION FUND INC

Upper Hunter Education Fund Incorporated (UHEF) exists to assist Upper Hunter youth in the transition from high school into further education or vocation opportunities. Living in rural Australia often makes it a lot more expensive to achieve your post high school education and vocation goals as you may need to move away from home, travel long distances and incur additional day to day living costs. The UHEF has provided over 220 Upper Hunter youth with grants totaling over \$400,000.

The UHEF embraces a broad spectrum of educational and vocational pursuits. Just some of the pursuits we have provided support for include apprenticeships, traineeships, cadetships, degrees – diploma or certificate level studies or direct entry into a vocation. We are all about investing in young Upper Hunter people.

We are looking for candidates who have;

1. a genuine need for financial assistance in order to be able to achieve their goal;
2. have shown commitment to achieving their goals; and
3. have realistic goals

There is also a more comprehensive set of criteria which will be applied to all candidates.
